ANALYSIS
of EVENTS
by Sheikh Ali Mahmoud Rage
Part 01
Muhajireen's Graduation
Ceremony Address

الشيخ علي محمود راجي – حفظه الله – :

All praise due to Allah, and the righteous end is for the believers, and there is no animosity except for oppressors.

I bear witness that there is no deity worthy of worship except Allah alone without partners, and I bear witness that Muhammad is His slave and Messenger.May peace and blessing be upon him, his family and companions.

﴿يا أيها الذين آمنوا اتقوا الله حق تقاته ولا تموتن إلا وأنتم مسلمون﴾ (آل عمران
.(102

﴿يا أيها الناس اتقوا ربكم الذي خلقكم من نفس واحدة وخلق منها زوجها وبث منهما رجالا كثيرا ونساء واتقوا الله الذي تساءلون به والأرحام إن الله كان عليكم رقيبا﴾ (النساء 1)

﴿يا أيها الذين آمنوا اتقوا الله وقولوا قولا سديدا يصلح لكم أعمالكم ويغفر لكم ذنوبكم ومن يطع الله ورسوله فقد فاز فوزا عظيما﴾ (الأحزاب 9 – 70)

"*O you the believers Fear Allah as He should be feared, and die except in a state of Islam*". (Al_Imran, 102).

" *O mankind! Fear your Lord, Who created you from a single person (Adam), and from him He created his wife (Hawwa). And from the both He created many men and women and fear Allah through whom you demand your mutual (rights). And (do not cut the relation of) the wombs (kinship). Surely, Allah is ever on All-watcher over you*" (Al-Nisa,1).

" *O you who believe keep your duty to Allah and fear Him, and speak (always) the truth. He will direct you to do righteous good deeds and will forgive you your sins*" (Al-Ahzaab, 69-70).

أما بعد، السلام عليكم ورحمة الله وبركاته،

الحضور: وعليكم السلام ورحمة الله وبركاته.

الشيخ علي محمود راجي – حفظه الله –:

First of all, we Love you all for the sake of Allah and we ask Allah to love you all.

After praising Allah, the Exalted, I advise you and myself to have Taqwa of Allah, because it is through Taqwa that our success, both in this world and the hereafter, depends. And is it the commandment of Allah that He advised us with when He said:

﴿ولقد وصينا الذين آوتوا الكتاب من قبل وإياكم أن اتقوا الله﴾ (النساء 131).

"*we have recommended to the people of the scripture before you, and you (O Muslims) that you (all) fear Allah*" (Al-Nisa, 131).

It is also the advice of Our prophet ﷺ when said:

(أوصيكم بتقوى الله) (رواه الترمذي وغيره).

" *I advice you with the taqwa of Allah, the Exalted*" (*Al-Tirmidhi and others*).

After that, we would like to thanks our Mijahideen brothers who have endured the hardships of Hijra, and were patient during the training camps and endured intensity of the training sessions.

And who exerted a great effort to learn the different ways of combating the enemies of Allah.

We tell them and their trainers, may Allah reward you greatly.

You, my dear brothers, have made Hijra from faraway lands and have completed intense training courses and have endured great hardships.

Know that your trainers and the Mujahideen have a noble objective behind the hardships that you have endured and that Allah and His messenger ﷺ have ordained for us that objective.

Know that by having graduated from the training camps, you have fulfilled the command of Allah:

﴿وأعدوا لهم ما استطعتم من قوة ومن رباط الخيل ترهبون به عدو الله وعدوكم﴾

(الأنفال 60)

" *And make ready against them all you can of power, including steeds of war to threaten the enemy of Allah and your enemy*" (Al-Anfal, 60).

Allah Akbar,,

So you have achieved a great objective and have implemented this verse. And from here on, you are ready to implement many more commandments from Allah now that you have gained experience, in different methods of fighting the enemies of Allah.

﴿كتب عليكم القتال وهو كره لكم وعسى أن تكرهوا شيئا وهو خير لكم وعسى أن تحبوا شيئا وهو شر لكم والله يعلم وأنتم لا تعلمون﴾ (البقرة 216)

Allah, the exalted, said : " *Jihad is ordained for you (Muslim) though you dislike it, and it may be that you dislike a thing which is good for you and that you like a thing which is bad for you, Allah knows but you don't know*"(Al-Baqara, 216).

Now that you have attained the necessary knowledge to implement this verse, it has now become easy for you to fulfill the command of Allah, for in order to fulfill an obligatory act of worship.

Today you have fulfilled one of the obligations that Allah has made compulsory upon us, and which is also a means of fulfilling another obligation (i.e.Qital).

So among your main objectives, my dear brothers, now that you have completed your training are:

Firstly you are well aware of the situation of the Muslim Ummah, and particularly, the Muslims of East Africa. And the humiliation and suffering they are faced with. Therefore, what is needed from you, even those before you and those who will make Hijra after you, is to uplift the humiliation from the Muslims and repel the oppression of the disbelievers from the Muslims of East Africa.

Particularly the countries you've made Hijra from, including Tanzania, Kenya, Uganda, Ethiopia and even Somalia.

Allah Akbar..

It is necessary, when attempting to uplift this humiliation, to strive to liberate our Muslims lands, which have been occupied by the disbelieving enemies, foremost among them being where many of you made Hijra from, I.e. Kenya.

You have to be the army that will conquer Kenya that we may return to our families and relatives in a state of honour and glory, and uplift from them the humiliation by the permission of Allah, the Exalted.

Our Muslim brothers remain in a state of humiliation in the lands occupied by the crusaders.

The neighboring Kenyan crusaders who've occupied our Muslim lands, have transgressed against the honour of our Muslim sisters, so it is upon to protect with your weapons the honour and chastity of our Muslim sisters that being violated by the disbelievers.

It is upon you to protect the Muslim women, children and elderly who continue to be mercilessly killed by the disbelievers, whether they are in Kenya , Uganda, Burundi, Tanzania and even here in Somalia.

Allah Akbar,,

You have to work towards the implementation of the shari'ah of Allah so that it governs the entire world, by the will of Allah.

We have to eliminate all other systems of governance and laws of kufr such as democracy, communism and secularism, enforced upon us by the pagans and govern the land according the qur'an and sunnah of the prophet ﷺ.

Allah Akbar,,

We have to wage war until we either elevate the banner of Tawheed or meet Allah, the Almighty, as martyrs as Allah has ordered us :

﴿وقاتلوهم حتى لا تكون فتنة ويكون الدين لله﴾ (البقرة 193)

" *And fight them until there no more Fitnah (disbelief) and worship is for Allah (Alone)*" (Al-Baqara, 193).

We should not be content with anything less than that. Our aim should be either one of two blessings: victory or matrydrom.

Allah Akbar,,

﴿إنا لننصر رسلنا والذين آمنوا﴾ (غافر 51)

Allah has promises us victory : " *Verily, We will indeed make victorious Our Messenger and those who believe*" (Ghafir, 51).

﴿وَكَانَ حَقًّا عَلَيْنَا نَصْرُ الْمُؤْمِنِينَ﴾ (الروم 47)

"*And it was certainly incumbent upon us to help the believers*" (Al-Rum,47).

But we have to strive and make an effort, if we exert a little effort, then Allah will certainly grant us victory.

So we have to raise our ambitions and make our goal either attaining martyrdom and the pleasure of Allah or achieving victory and conquests, so that Allah uplifts from us the humiliation and disgrace.

Allah has indeed honoured you with the virtue of Hijra, so you have to work towards attaining the rest if the virtues that Allah has promised us.

Allah Akbar,,

We know and the Kenyan crusaders also know the oppression and immense atrocities they have perpetrated against the Muslims.

Who live under the occupations of the Christians.

You all know that during the 1970s Mpeketoni used be a Muslim land.

The kuffar then transferred the Christians and settled them in Muslim lands, forcefully occupying the land.

Today, when you take a look at the town, you would come across a hundred churches and perhaps only one mosque.

The reason is that the land is occupied and the Muslims have been oppressed, their religion transgressed upon and the disbelievers erected churches in the place of mosque.

In 1980, they burned the town of Garissa killed many Muslims for simply being Muslims.

In addition to that, they carried out mass massacre of Muslims in Wagalla.

What is remarkable is that they've built churches at the entrance of Mombasa, a historically Muslim city,

Giving the perception that it is a Christian dominated city.

The call to Athan has been replaced by the chiming of the church bells.

The prison in Kenya, as you all know, are filled with Muslims – mainly Muslims youth who've been detained.

With due court process and left to linger without mercy. The disbelievers have also occupied Muslim lands and have recently invaded parts of the Islamic Wilaayat of Jubba and Gedo where they still have a military presence.

They have mercilessly bombed Muslim lands of Somalia, such as Jilib, Bardhere, Kismayo and other cities.
